## 3. URCC Manual of Style

1. The website formatting shall be based in large part on <https://edwardtufte.github.io/tufte-css/>, which is Dave Liepmann’s adaptation of Edward Tufte’s style.
2. The text formatting shall be loosely based on the latest Chicago Manual of Style (CMOS).<sup>2</sup>
3. Where appropriate, for the purpose of increasing readability, with the consideration of the overwhelming number of website citations, the CMOS citation style may be simplified.
